2026 – 2029 Metropolitan and Regional Transportation Improvement Program Project Data Sheet

April 2026 Amendment

Project Title / Agency / County

Wilson Creek Bridge East Valley Road / Wahkiakum Co. / Wahkiakum

Other Project Information

STIP ID: WA-14124	Improvement Type: Bridge Replacement, No
Beginning Termini: 1.64	Added Capacity
Ending Termini: 1.70	Environmental Review: Categorically
Total Project Length: 0.06	Exempt
Functional Classification: Minor Collector	

Project Description

The proposed work included the removal and replacement of reinforced concrete slab edge with a stiff combination edge beam and barrier, while maintaining one lane of traffic throughout construction. The top surface is repaired and overlaid with a structural concrete overlay. This design removed the load restriction, rehabilitates the driving surface, provides a new bridge rail that meets current design standards, and completes minor concrete repairs.
